

AMERICAN SOCIETY OF  
SAFETY PROFESSIONALS

Low Country Chapter

# THE SAFETY EXPRESS

Quarterly Newsletter

4th Quarter 2022

This is not a drill - we are doing it folks! Just as most things now have the look and feel of 2019ish, the ASSP Low Country Chapter is working to do the same. You may have received/ignored/deleted quick turnaround meeting notices for both October and November, but rest assured we are getting back into the swing of things. If nothing else, block off your calendar for the following recurring meeting times and a reminder 1-2 weeks in advance to sign up:

**Typical Day:** 3rd Tuesday of the Month | **Typical Time:** 11:30 am - 1:00 pm | **Typical Cost:** \$15  
**Typical Meeting Location:** CECA - 2230 Technical Parkway, North Charleston, SC 29418

The Chapter Officers are currently planning out the rest of the ASSP calendar year through June 2023. Please let us know if you have any recommendations for a topic, speaker, tech tour, social event, or other engagement activity for the group. Remember, there are no bad ideas (just some that do not get acted upon).

## Upcoming Events

December	January	February	March	April
<b>Holiday Social</b>	<b>Regular Meeting</b>	<b>Regular Meeting</b>	<b>Regular Meeting</b>	<b>PDC</b>
Date: 12/14	Date: 1/17	Date: 2/21	Date: 3/21	Date: April TBD

## Fire Prevention Week

Thank you to David Ringley, Chief Fire Marshal of the North Charleston Fire Department for speaking to the group on October 18. Each October, NFPA hosts Fire Prevention Week and Chief Ringley provided our members with a walk through fire history and what is on the horizon for upcoming changes.

One of the fires mentioned was the Triangle Shirtwaist Factory Fire, which as you may be familiar was a driving factor for the creation of [ASSP](#).

Check out the [Low Country's webpage](#) in the coming days as we are waiting for a copy of the presentation to post.

Gov. Affairs

Molly McCall

Elections

George Bower

Honors/Awards

Jeff Graham

**WE WANT YOU!**

The Chapter is always looking for new ideas and those who like to give back through their time and efforts. Please let one of the Chapter Officers above know if you'd like to get involved in the planning and execution of this group.

**"For safety is not a gadget, but a state of mind" ~Eleanor Everet**

This past March, delegates made the historic decision to transition the House of Delegates to an Advisory Group, amending the ASSP bylaws to effect the change. ASSP has updated all governing documents to reflect this change, including the model chapter bylaws. Per the chapter affiliation agreement, chapters are required to maintain bylaws that are aligned with the model chapter bylaws. Chapter members will need to vote to amend our chapter's bylaws to bring them into alignment with these updates.
